Services Held For YL Soldier Killed In War

YORBA LINDA — Funeral services were held last Wednesday for Spec. 4 David L. Gilmor of Yorba Linda, who died in Vietnam on December 16. At the time of his death in a helicopter crash, he was a coordinator for military intelligence.

David Gilmor graduated from Valencia High School, attended Fullerton Junior College for a year and worked in the U.S. Forestry Service as a fireman in Trabuco Canyon before enlisting in the army in January 1969. After basic training, he attended Military Intelligence School in Baltimore, Maryland.

He is survived by his widow Sandra of Yorba Linda, his father Charles Gilmor of Billings, Montana, his mother Mrs. Marion Gilmor, two brothers, Toney and Charles all of Placentia, and a sister, Mrs. David Rinaldi of Anaheim.

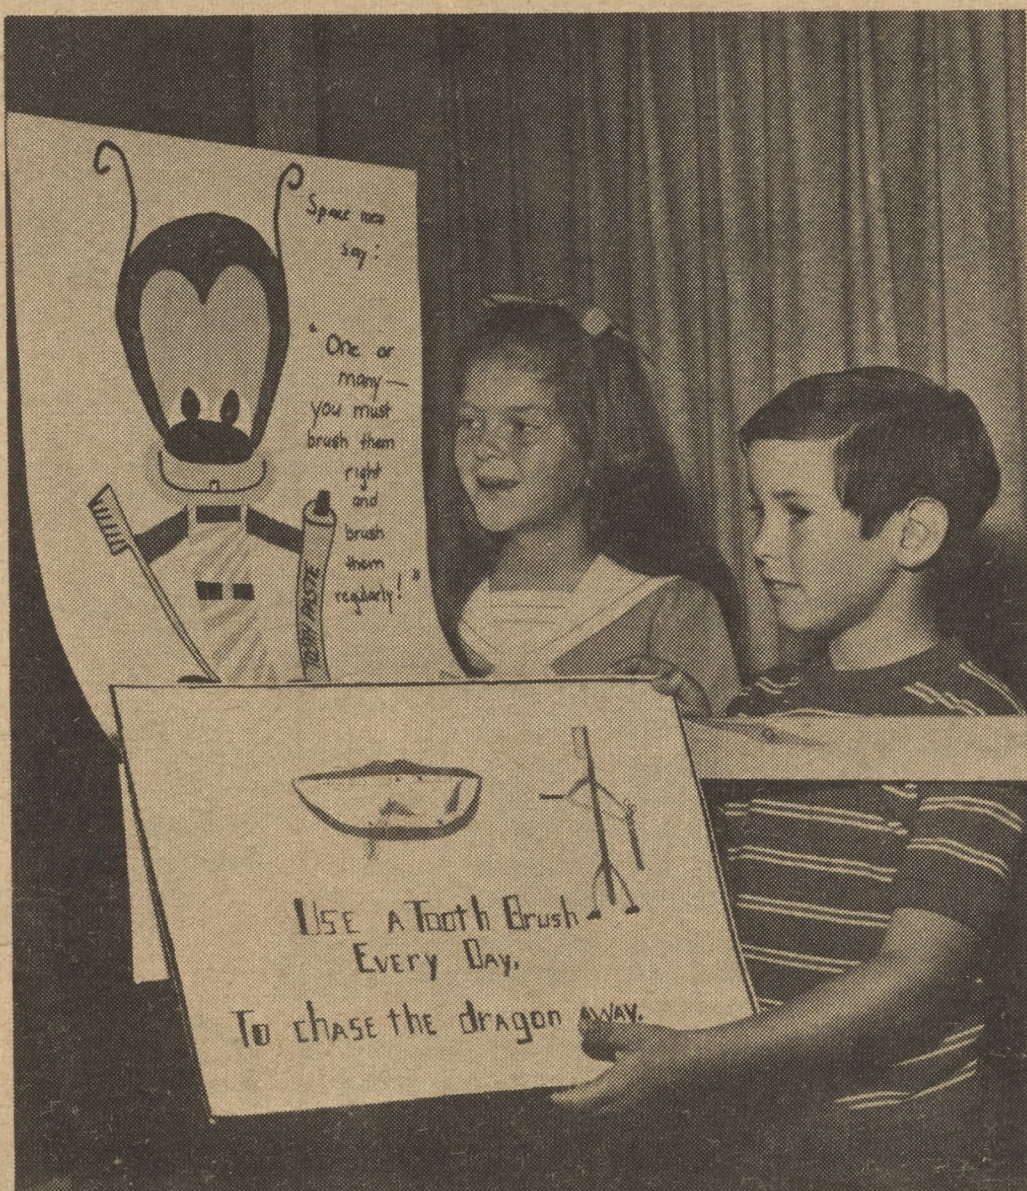

Rev. Norris Barnes, pastor, officiated at the services at the United Methodist Church, Yorba Linda. Burial was at Ft. Rosecrans National Cemetery in San Diego.

'Blithe Spirit' To Begin Eight Performance Run At College

FULLERTON — The Fullerton Junior College Theatre Arts Department will present "Blithe Spirit" in eight performances starting Friday evening, January 8, in the Studio Theatre on campus.

Local district winners in the dental health poster contest sponsored by the Orange County Dental Society are Steven J. Gourley, 9, of Placentia, and Tamatha Latham, 9, of Yorba Linda. The fourth graders will compete against 25 other district winners for the top three countywide prizes to be awarded during National Children's Dental Health Week February 7 to 14.

Dick Gregory To Speak On Civil Rights January 8

FULLERTON — Dick Gregory, highly successful comedian who became a highly successful author and then a "soldier in a war against hate and bigotry," will be the guest lecturer Friday, January 8, on the Fullerton Junior College Artist Lecture Series.

The guest lecturer, who will speak on the topic "Civil Rights and Black Power," will appear in the FJC Campus Theatre, with the program scheduled to start at 8 o'clock.

Gregory rose from a boyhood of poverty to become the first big name black comedian, with earnings in excess of \$1 million a year by 1961 and 1962, according to his autobiography, "Nigger," which is now in its 11th printing and has sold nearly five million copies.

In addition to his work as a comedian, author, and lecturer, Gregory has starred on Broadway and on the major television shows and has made a spectacular motion picture debut in "Sweet Love, Bitter."

All seats for the Artist Lecture Series programs in the Campus Theatre are reserved, and according to college officials the seats have all been sold for the Dick Gregory program. However, some additional seating is being added in the wings, and a limited number of seats may be available at the boxoffice on the evening of the performance.

Commission Chairman Howard Lindow favored both applications while Commissioners Ann Capron and William Paul opposed them.

Commission Denies Zone Applications

YORBA LINDA — The Planning Commission denied two zone change applications at its regular meeting December 28, both by two to one votes with two commissioners absent.

A zone change from A1 (O) to MHP (mobile home park) zoning was turned down after opposition was expressed by several people. Submitted by Vernon Frederick, the request would have changed

the zoning on about 20 acres on the southeast corner of Buena Vista and Van Buren.

It is the third zone change request for mobile homes in the area to be turned down in the past year.

The other item was a request from Jess Ramirez to rezone from residential-agricultural to AC C-1 commercial property on the west

New Grading Ordinance Adopted By YL Council

YORBA LINDA — A new grading ordinance designed to encourage the construction of more natural hills and grades in building housing tracts in hilly areas was approved Monday evening by the City Council.

The ordinance requires that all plans for sloping be shown on the tentative tract map. It is designed to reduce the possibility of the creation of more of the steep, unnatural banks often found in tracts built in hilly areas.

Councilmen voted three to two to keep membership on the Planning Commission at its present level of five. An increase to seven members had been proposed by Councilman Henry Wedaa.

Staff was ordered to prepare a resolution on Planning

Commissioner salaries to pay them \$10 per meeting with a maximum of four meetings per month. Present salary is \$20 per month.

The appointment of a planning commissioner to replace retired commissioner William G. Clay was put off until next week, when the council will hold an executive session at 6:30 Monday.

A Horse Committee was established by council action. This is the result of recommendations made to the council by the present Horse Committee. The committee will have five members. Appointments to the committee will be discussed at 6:30 Monday, January 18.

YL Library Board Sets Discussion

YORBA LINDA — The district library board of trustees will hold its regular monthly meeting Thursday evening at 8 p.m. in the library.

The major item on the agenda is discussion of furniture and equipment planning and the construction timetable of the addition to the library presently under construction.

Trustees will also consider the awarding of a custodial contract for the new building.

VHS Junior To Graduate This Year

PLACENTIA — Cynthia Ca. Wright, daughter of Mr. and Mrs. Albert Cartwright of Anaheim, will be graduating this June as a junior from Valencia High School.

Along with three years of intensive study at VHS, Cynthia has also attended two summer school sessions to fulfill her graduation requirements.

Graduating with three majors in the fields of math, science and foreign language, Cynthia has already been accepted by Loma Linda University as a pre-medical student.

Outside of academic pursuits, GAA and the office of German club treasurer occupy Cynthia's free time.

Her course of study this year includes composition, speech fundamentals, American lit, logic and semantics, German IV, college prep chemistry, trigonometry and GAA.

Trustees Postpone Consideration Of Grievance Report

PLACENTIA — Members of the Placentia Unified School District board of trustees agreed to postpone any discussion of a report on grievance procedures because a copy of the report had not been sent to Murrell Miller, district superintendent.

The report had been delivered to the five member board by the certificated employees negotiating council as agreed. However, the superintendent had not received his copy. The board will hold a special meeting to discuss the report once a copy has been delivered to Miller.

In other business the board appropriated \$1,291.33 for the purchase of 10 new uniforms for the El Dorado High School Band.

The members also approved a payment of \$4,668.80 to Lyon Metal Products as partial payment for the installation of lockers at the Bernardo Yorba Intermediate School. The balance of \$518.76 is to be paid upon filing a notice of completion of the project which the members approved.

Board Of Trustees To Meet

PLACENTIA — The Placentia Unified School District Board of Trustees will hold a special meeting tonight at 7 p.m. in the board room to consider personnel items and other matters related to the operation of the district.

Included on the agenda is an executive session and the awarding of a bid for the construction of Phase II at Bernardo Yorba Intermediate School.

Art Work Of Local Students Displayed

Juried collection of art of Orange County school youngsters, held at Bowers Museum recently found Placentia Unified School District well represented.

There were 180 pieces selected from among 500 entries, and the following students had their work displayed: Pam Barlow,

Jeanne Fumo, Julie Loveday, Patty Maas, Jeff Porter and Clay Rickerl, all 8th grade students at Kraemer Intermediate School.

Orchard School was represented by Johnny Brogna, 2nd grade; Scott Gibbs, 2nd grade; Linda Inglis, 5th grade; and Kimberly Wiese, 1st grade.

May You Be Merry Through The Whiplash Season

This is the season of 'Good Will.'

Unfortunately, in California, this is also the season for smog and rain-slick streets and the many auto accidents that are brought about by the weather.

Dr. Donald Brinkley

Of course, auto accidents, although minor they might be, cause an alarming number of whiplash injuries. A driver following too close may glide into the rear of an auto that has to suddenly stop. Frequently, there is little damage other than a scrapped bumper or rear-end dent. But this relatively minor property damage can be vastly outweighed by the personal injury that can be sustained in this type of accident.

"It goes without saying that the victim of a whiplash injury is truly in need of specialized treatment and care," according to Dr. Don Brinkley, of the Brinkley Chiropractic Offices.

Even for the driver who must stop suddenly to avoid a rear-end collision there is critical danger of a whiplash injury, he states.

And science has definitely established that the Modern Doctor of Chiropractic, with his greater knowledge of the spine and its alignment, and of the significance of even minute changes in this alignment, is best prepared and equipped to deal with the whiplash injury.

According to Dr. Brinkley, the symptoms of a whiplash are frequently

varied. They can be immediately evident—stiff neck, headache, possibly nausea—or delayed for as much as a week. Nervousness and irritability often accompany a whiplash injury, as it's easily imagined that a person suffering from a persistent headache and stiff neck can feel 'out of sorts' to the point of constant distraction.

"I would like to point out that we of the Brinkley Chiropractic Offices have considered the whiplash a most severe condition and have felt it necessary to seek out the finest preparatory background to deal with it," Dr. Brinkley stated.

He has attended post-graduate courses and seminars on the diagnosis and care of the whiplash and effective treatment of the problem.

As many of you have come to know, a simple, painless and inexpensive spine and nerve test can quickly reveal if you have suffered a whiplash. If you have been involved in an accident, or for that matter, a fall or other mishap, you owe it to yourself and your family to have your nerve system tested to find out for sure. Every problem has a cause, and the cause must be found and corrected before you can get well, he adds.

"Let me personally wish each and every one of you a Joyous Holiday Season. And may the Blessings of Good Health be with you through the New Year."

Further information regarding this problem can be had by writing the News-Times, Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Students Visit Excavation Site During Recent Trip

Yesterday became today for 30 Troy High School students on a recent trip to an archaeological excavation in the Calico Mountains near Yermo.

Guided by Troy instructors John Hyma, Herman Boodman and Jim Higgins, the students spent a busy Saturday examining artifacts, learning the techniques of digging, and then digging themselves.

The dig, sponsored by the San Bernardino County Museum, the Dr. Leakey Foundation and National Geographic magazine, contains some of the oldest artifacts of man on the North American continent.

According to Hyma, who teaches Bible as Literature classes at Troy, the purpose of the trip was to allow the students to experience for themselves the process that archaeology uses to recreate the history of man.

"It was also a good opportunity to explain to the students the importance of archaeology to literature, history, anthropology and science," observed Hyma.

Also on the trip was Troy's television specialist, Milt Lucius, and student members of the Troy video control teams. They were given the opportunity to video tape the terrain, the total site, flaking samples and artifacts that are believed to be at least 40,000 years old.

One tape will remain in the Troy Library for the use of students and interested groups. Another was purchased by the San Bernardino County Museum to be used for other schools.

Students were enthusiastic in their comments on the expedition. Senior Shirley Gordon, who hopes to become an archaeologist specializing in Egyptology, said, "I thought it was neat. I really had fun and appreciated seeing how it's

done." She was allowed to bring back rocks, chippings and a scraper tool that was made by primitive man thousands of years ago.

Another senior, Andy Weinstein, admitted to being disappointed at first, because he expected to find many more artifacts. "I changed my feelings though," noted Andy, "when I learned how they could tell that man was there so long ago."

Janet Thomas Named VHS 'Good Citizen'

Senior Janet Thomas has been selected as Valencia's "good citizen" by members of a faculty committee and is now eligible for further competition sponsored by the DAR.

Members of the Daughters of the American Revolution are responsible for the competition with girls selected on the basis of qualities of dependability, service, leadership and patriotism.

District winners receive a U.S. government bond worth \$25 at maturity and may also submit a 300 word autobiography for the state-wide contest.

Valencia Debators Win Honors At Tournament

Valencia's debate teams emerged victorious once again following a recent tournament at La Habra High School.

Freshmen Dan McLoon and Ken Perkin teamed up for a debate trophy as did upperclassmen Chuck Nickerson and Dean Knight.

Certificates went to the teams of Kevin Howard and Mark Zielinski, Zachary Smith and Barbara Manning, and Mike Edge and John Herbert.

Trophies are awarded to teams which win all three rounds of debate with certificates going to two-round winners.

Individual competition in the varsity category also allowed four Valencians to go home with certificates. These were Diana Herr, Steve Shannon, Bill Yarak and Janet Zielinski.

Future contest plans include a practice congress January 30 and the third novice debate tournament to be held at Valencia February 19.

Variety Show Scheduled For January 8, 9

"Marathon Memories," the third annual El Dorado High School Variety Show, will be presented in the school lecture hall January 8 and 9 at 8 p.m.

Sponsored by the drama department, the show will feature a dance contest and door prizes.

Tickets will be on sale at the school and at the door. They cost \$1.25 for adults, \$1 for students and 75 cents for children.

Recreation Department Winter Classes To Begin

The Placentia Recreation and Parks Department announces the beginning of its winter special interest classes in the following areas: tap and ballet, guitar, baton, junior artist, dog obedience and two new classes, perceptual training for pre-schoolers and judo.

Tap and ballet classes begin Monday, January 4 and will be taught on Monday and Wednesday mornings and afternoons at Backs Community Building for girls 4-12 years of age. The fee for dance classes will be \$10 for eight weeks.

Guitar classes will be conducted for both youths and adults. Classes will be held Monday afternoon at the Club House in Kraemer Park and on Wednesday afternoon at Brookhaven. Adult classes will be Monday evening at Kraemer Park Club House. The fee for guitar will be \$12.50 for 10 weeks.

Baton classes will begin Thursday, January 7, at the Tynes Recreation Center in Tuffree Hill Park. Classes will be offered for girls 6 and over. The classes will be taught by Terry Cohoon. The fee for eight weeks will be \$6.

Junior Art classes will be held on Monday and Thursday afternoons at the Backs Community Building in Kraemer Park for children 8 years and over and will be taught by Mrs. Diana Martin. The fee is \$10 for eight weeks.

A dog obedience class will be offered Thursday evenings in Kraemer Park beginning January 7. The

class is for all dogs six months and older and their masters and is taught by Tom Tobin. The fee for 10 weeks is \$13.

A new class to be offered by the Recreation and Parks Department will be perceptual training for pre-school children. This class will be coordinated and taught by councilman John Tynes. Classes for children 3½ to kindergarten will be held at the Backs Community Building on Saturday mornings at 9-10-11. The children will learn various stunts and physical coordination activities. The activities enhance self confidence and physical coordination. The fee for six weeks is \$5. This money will be used to purchase equipment to be used in the program.

Another new class offered by the department will be judo taught by Russ Mariglia. All classes will be held in Valencia High School's wrestling room. Classes for children 9-12 years of age will be held Tuesday evenings from 6 to 7 p.m.; classes for girls 13-17 from 7 to 8 p.m.; classes for boys 13-18 from 8-9 p.m. Self defense for adult women will be on Wednesday evenings from 7-8 p.m. and men from 8-9 p.m. Fees for children are \$8 for eight weeks and adults \$12 for eight weeks.

Mariglia holds First Degree Black Belt in Judo and has taught previously in New York. He has previously been the Eastern Canadian Champion and New York State Champion.

Jean Pierotti, Toni Hanley To Represent Local Club

Mrs. Don (Jean) Pierotti and Mrs. James (Toni) Hanley will answer the call of the Orange District Federation of Women's Clubs and represent Placentia Round Table at the District Council meet.

Two sessions will be held on January 8, at the Santa Ana Elks Club, convening at 9 in the morning. Business of the Orange District will be the main topic of business, with exhibits of art and heritage artifacts on display.

The luncheon at noon will be followed by a speaker, Dr. Joseph Arditti of the Biological Science Department, University of California, Irvine. His talk

will center around conservation and environment responsibilities.

Mrs. Eugene (Rosann) Roberts of Yorba Linda is the new chairman of crafts in the Orange District.

Ecology Club Meeting To Be Open To Public

Tired of just talking about pollution? Want to do something constructive in the fight against the destruction of our land?

The Yorba Linda-Placentia Newcomers Club has announced that the next meeting of their Ecology Club will be open to the public. The meeting will be held at the home of Mrs. Robert Shipp, 1325 Limerick Dr., Placentia, on Monday, January 11 at 10 a.m.

The club has only recently been formed but thymembership is very interested in the ecology of the immediate area. Plans for future projects will be discussed at the meeting.

For more information Mrs. Shipp may be reached at 524-2990. Mrs. Charles Bass, president of the Newcomers, is serving as president of the ecology group and may be contacted at 524-7090.

Bowers Museum Will Host Varied Exhibits

Charles W. Bowers Memorial Museum, located in Santa Ana has long been a mecca for devotees of all the humanities, according to reports from the museum.

Scheduled for the first month of the year 1971 are several events of area interest. The first meeting of the Orange Art Association will be held Wednesday (tonight) at 7:30 with Mike Campbell of Laguna Beach demonstrating work in water colors.

January 7 is the date for the Pacific Coast Archaeological Society and will feature an illustrated program of 17th century pottery used by the Pilgrims, as well as certain specimens of ceramics from Plymouth, Massachusetts. Paul Chace will be the presenter.

An exhibit of circus paraphernalia, toys, and other objects now categorized as relics, including an array of architecture (a full spectrum of vehicles, both wheeled and afloat) can be seen at the museum Mondays, 10 a.m. to 4:30 p.m.; Sunday, 1 to 5 p.m.; Wednesday and Thursday evenings, 7 to 9 p.m. These curios are a part of the collection illustrating the new book titled, "The

American Eye of Evelyn Curro."

A photostory of 80 years of fishing is the program for January 9 through February 11 at the museum. The exhibit is from the camera of Terrence Trimble of Corona del Mar, and covers fishing and market processes, step by step.

Lectures by Dr. Clara B. Hale will be in four parts. It includes slides on travel abroad, the first of which is the British Isles. The dates are Sundays at 2:30 p.m. on January 10, 24, February 14 and 28.

The Bowers Museum has been in existence at its present location for many years providing cultural activities for surrounding communities.

City Utility Tax Will Go Into Effect Immediately

Users of the utilities in Placentia will find on their bills, starting with the ones now being mailed out, a statement reading, "Local Tax" (if applicable). That is the utility tax voted by the City Council.

The ordinance approved has a section that will relieve those families whose income is less than \$3,500 annually.

At the end of the calendar year, families in this bracket can go to the City Finance Director, Frank Dunnivant, show proof of income, and receive a refund of up to \$5.

The tax notation will appear on water, electric, gas, and telephone bills. It has been suggested that families keep their receipted bills, so an estimate of the amount of tax they pay can be made. The utility companies agreed to collect the tax and turn it over to the city. The money so collected goes into the

Womens Clubs Fine Arts Show Set For January 27

Wednesday, January 27, the Orange District Fine Arts Festival of Women's Clubs will be held at the Fullerton Ebell Club. The first showing of crafts, creative expression, drama and music will begin at 9:30

a.m. The second one will follow luncheon at the club. Mrs. John C. McNutt, publicity director for Orange District Federation of Women's Clubs invites the public to attend.

Mrs. McNutt urges all members of the various clubs to participate in the Report Writing clinic scheduled for January 29 at the La Habra Women's Club.

Placentia Round Table is one of the active clubs in the Federation.

Bud Tynes Returns For Holiday Visit

The John Tynes family of 134 Anned Dr. had an enjoyable Christmas holiday, when their son and his family visited with them. Bud Tynes and family came from Iowa City, where he is connected with the University of Iowa. The grandchildren, Nat and Nathan, found Christmas in the Southland quite a delightful one away from snow and cold.

Local Family Returns From Holiday Trip

Mr. and Mrs. I.J. Flowers and children, 19321 Old Ranch Road, Yorba Linda have returned from a trip to the Houston, Texas area after visiting friends and family during the holidays.

Pvt. I.J. Flowers, Jr., who just completed his basic training at Fort Ord, California arrived home on December 17 and accompanied his parents on their visit.

Breakfast Set For Thursday

Mayor Robert Finnell of Placentia will hold the first breakfast of the 1971 season, Thursday, January 7 at Backs Memorial Building starting at 7:30 a.m.

Industrial personnel of Placentia will be the guests, and further discussion will take place concerning the many improvements proposed by the city. All heads of departments of the city will be represented so questions can be asked and answered. The continental breakfast lasts for one hour.

Yorba Linda Boy Hurt In Bicycle Accident

Six-year-old Ruben David Martinez of 5651 Casa Loma Drive in Yorba Linda, was struck by a car as he rode his bike down Ridgecrest Drive last Thursday afternoon.

According to Brea Police, Ruben rolled, at high speed, into the path of a car driven by Michael Potoma of Kona Kove Way, Yorba Linda. Potoma, driving north on Richfield was unable to stop as the boy rode over the curb into the path of his

car. As he applied his brakes, his vehicle struck the boy, and tossed him 44 feet from the point of impact. The bike was carried beneath the car, as it stopped. The driver was not held.

Ruben was taken to St. Jude Hospital, suffering bruises and lacerations about his face, head and upper body. His condition was listed as fair, Saturday. He is a kindergarten student at Van Buren School.

of the 42 employees, of whom there are 29 carriers.

No estimate has, as yet, been made as to whether there was an increase in mailing from the local office, nor has it been figured whether Christmas mailing equalled or surpassed that of other years. These figures will be ready in about 10 days, it was learned.

No major changes are anticipated for 1971, stated Douglas. There is a constant review of needs for sub stations because of the opening of new tracts and apartments. When the need arises for a realignment of carrier service, it is handled by the shifting of personnel and routes.

50 YEARS OF SECURITY

Anaheim Savings is proud to celebrate its 50th Golden Anniversary. Founded in 1921, Anaheim Savings is the oldest locally owned Savings and Loan Association in northern Orange County. We are celebrating 50 years of security, but more important, 50 years of service to our savers that has taught us many things. We have learned that people want more than a place to keep their money. They want a smile and a personal greeting when they come in. In this computerized world of today, they want to be more than just an account number and a dollar amount on a file card. At Anaheim Savings you are treated as a person. We are interested in you, ever striving to give you complete satisfaction, because . . . your smile is important to us . . . and we hope to remain important to you.

Chief Traub Outlines Areas Of Concentration

Police Chief Norman Traub has outlined some of the areas of concentration for police personnel during 1971. These include: law enforcement policies and procedures; recruitment and selection of police candidates; better equipment, training, personnel assignments for growth and experience, records and reporting systems, communications, community relations, rules and regulations, facilities and establishment of priorities.

These points were brought to the attention of all police personnel in a communique from the chief to his men. He stated, "We may not be able to fulfill all of our objectives but we will do our best."

"We are living in very exciting times," said Traub, "that hold great expectations for law enforcement. The challenges of the future can be met with confidence if we are willing to prepare ourselves to accomplish our objectives."

Further presenting the outlook for Placentia Police department the chief asked the question "What is going to happen to our organization in the new year?" Continuing that the question is difficult to answer Chief Traub propounded the question to the personnel, "What would you like to see happen in the new year?"

Quieting some of the

thoughts that have been in the men's minds, chief Traub told them there would be no immediate changes in the basic structure or in personnel assignments, and he further said, "there will be some immediate modifications in systems and procedures. These changes will be suggested and initiated by you the personnel."

Chief Traub's closing notations to the personnel of the police department were: "Please examine your present duties and the department as a whole and mentally challenge everything we do and ask the question, 'Why?' If it can't be justified or if it should be modified, it is up to you to submit suggestions for improvement. We are only going to get out of our department what we put into it."

Future of the personnel will be based upon what is done from now on, stated the chief, not on past performances, except where records are in favor of the person serving in the department.

"I appreciate the fact that it will take some time for you to get used to my methods of operation and my enforcement philosophies," Chief Traub told his department. "But by thinking positively and each of us working for the common goal, we will achieve our ultimate objectives."

PUEA Members Hold Workshop For Council

The Placentia Unified Education Association recently held a workshop for members of the Association's Representative Council, the legislative body of the PUEA. Outstanding Orange County and Southern California CTA leaders focused on the need to implement the Placentia Agreement, one of ten in the State.

The Past President of the Orange County Teachers Association and CTA Salary and Negotiations Consultant, Miss Hazel Stover, discussed the vital role that Building representatives play in Negotiations. Tom Brown, CTA-SS Director for Salary and Negotiations, elaborated on the representatives role in enforcing the master contract, Jose Colmenares, Co-Director of CTA-SS Communications, evaluated the role of public relations in the drive for a master Agreement.

Ed Romeo, CTA Regional Director in Santa Ana, discussed the expanding services available to members through the United Teaching Profession, the local teachers association, the California

Teachers Association and the National Education Associations.

Representatives Nile Gooch, Tuffree, and Dale Malone, McFadden, praised the program commenting, "These presentations and the workshop greatly increased our enthusiasm." Clyde Williams, PUEA President, observed, "We received the benefit of a very 'high-powered' CTA staff. I am sure we will be more effective and provide greater service to our members."

Valencia Cagers Take Two Consolation Championships

With a pair of consolation trophies and a handful of victories the Valencia Tiger Basketball team plays its final practice game against Corona this Friday night in the Tiger Den before beginning its fight for the Orange League crown on Tuesday night at 7 p.m. against Laguna Beach, also in Placentia.

The Tigers collected their second consolation championship via tournaments by coming from behind to beat California High 73-68 in the Pioneer Classic.

Behind 59-56 it was time for Coach Bob Hamblin to instruct his players to

unleash a full court press, which is what they did as their hustling efforts gifted them with 10 free throws in the final two minutes sinking nine and giving the Tigers the five point victory.

Sergio Echevaria pumped in 22 points to lead all scorers. Ricky Garcia added 16 followed by Jim Cordry's 14.

In the second game of the tourney the Tigers crushed Sante Fe 84-58 as all of the Bengals hit the scoring column led by Cordry with 19.

In the opening game of the tournament Valencia was handed a 75-62 loss to Burroughs of Burbank.

Members of the song leading team at Troy High School this year are, back from left, Sherri Lusk, Connie Quinn, Mary Harden, Robin Courtain; front from left, Claudia Garvey and Gayle Zandbergs.

Huntington Beach Wins El Dorado Cee Tourney

Huntington Beach won the second annual El Dorado Cee Tournament by defeating the defending champion, Valencia Tigers, 36-35.

In the final game the taller Oilers got off to a fast 10-2 start and led 19-7 at the first quarter. However, with Alfred Diez getting hot, the Tigers fought back to a two point deficit at half time. Diez hit a 30 footer at the buzzer to climax the comeback.

It was close the second half but in the final seconds Huntington Beach made a free throw to win.

Fountain Valley beat Sunny Hills for third place, and El Dorado won Consolation Championship in an overtime battle with Loara.

All-tournament Doug Curtis made the difference scoring a three point play at the end of regulation time to give the Hawks the momentum they needed.

Members of this year's yell leading squad at Troy High School are, back from left, Doreen Lacy, Cyl McFarland, Becky Courter; front from left, Roxie Smith, Vic Keeran and Jill Shook.

FJC Begins Conference Play After Tourney Loss

The Fullerton Junior College Hornets basketball team begins the battle for its second straight South Coast Conference Championship as they open up the season with San Diego Mesa in the Hornet nest tonight with the tip off slated for 8 p.m.

Last week the Hornets took third in the Riverside Invitational Junior College Tournament.

The champion was Pasadena, an 87-75 winner over FJC in the semi-finals of the tournament.

The Hornets opened the tourney as if they were going to run away with it as they demolished Imperial Valley hitting the century mark 101-55.

Grapplers

Host Corona; Sarkis Wins

Thursday Valencia will host Corona for a wrestling match scheduled for 6 p.m.

Tiger captain Ken Sarkis, 136 lbs., took first place Tuesday, December 29 in the Hawthorne Tournament. Grapplers Reid Geottsche, 141 lbs.; Richard Samaniego, 103 lbs.; and Larry Lopez, 145 lbs., were entered into semi-finals but did not place.

Upcoming matches include a bout with Santiago January 14.

FJC Girls Teams Play

The Fullerton Junior College women's basketball teams, both "A" and "B," have won the Southern California Junior College Basketball Tournament and are turning their attention to volleyball.

The teams, coached by Miss Colleen Riley, clinched the Southern California Tournament and an undefeated season by defeating Los Angeles Valley College for the championship.

Chidley led all scorers in the romp as they collected 20 points each.

The game against Pasadena was not anything like when the teams first met (FJC came out victorious 90-86 in overtime) as the Lancers rolled past the Hornets 87-75.

Rick Aberegg was named to the All-Tournament team.

Last Saturday the Hornets suffered for the first time this year its second loss in a row dropping their record to 14-3 losing to Rio Hondo 77-61.

Cal State Faces Irvine For Third Game Of Year

The Titans last defeat came at the hands of UC Irvine. Its latest win was over UC Irvine in the Anteater Tournament 70-69 and its next battle is once again going to be against UC Irvine in Irvine's Crawford Hall Saturday night, January 9.

The Titans, who won only one of their first six games, are now riding a seven game winning streak and no one more than UC Irvine would like to end it since the Titans became the fourth straight team to ruin the Anteaters bid for a championship trophy in their own trophy.

In the opener six Fullerton players hit in double figures to lead the team to a 92-87 win over Occidental College.

Steve Gergets and Mark Ramsey scored 10 points coming off the bench and Tony Rodriguez (Player of the Tournament at Irvine) led all scorers hitting 19.

In a sloppily played game the Titans beat Cal Poly San Luis Obispo 72-66 which gave them the right to meet the host in the final game.

Phil Rhyme of UCI hit two free throws with 11 seconds remaining but that only brought the team within one point. Cool Art Jones sank two free throws to put the Titans of Fullerton out in front for good 70-67.

ED Cagers To Face Ontario Team Friday

El Dorado will meet Ontario on Friday in the last non-league game of the season.

Having played Ontario in a scrimmage early in the season, Coach Nash Rivera's squad will again be going against a taller team. So far, the Varsity has a 6-6 record, the best of any Orange League team.

Senior Bob DeWeese has been selected to three all-tournament teams and has led the Hawks in scoring in all but one game. DeWeese was all-tourney at Valencia, Laguna Beach and Brea, and is the leading scorer in the Big A Empire, which covers all of Anaheim and most of North Orange County.

Over Christmas vacation, the Hawks won four games and lost two. ED beat

Damien 84-71 to win the Consolation Championship of the Laguna Beach Tournament. Then ED won the opener of the Brea tournament by beating Sunny Hills' Junior Varsity.

In the second round, tournament champion Servite defeated El Dorado 81-61. The Varsity was only down six at half time, but fell to a Servite press in the second half.

However, the Hawks came back to hold off Brea for third place, 75-62. DeWeese put in 21 and Bill Willis had 15. Guards Dorian DeJesus and Gary Burnett were also in double figures.

Mitchell Is Diving Officer

Dr. Phillip S. Mitchell is the new diving control officer at California State College, Fullerton, announced Acting President L. Donald Shields.

Valencia Sophs Play Corona; Frosh Place

Today Valencia's sophomore basketball team will be traveling to Corona for a game scheduled for 3:15.

Last week the frosh squad and the junior varsity team entered into tournaments. The freshmen, under the direction of coach Leon Simmons, took second place in the El Dorado Tournament. In the championship game Wednesday, December 30, the Huntington Beach Oilers slipped past the Tigers, 36-35, to gain first place honors.

Junior varsity Tigers lost for the consolation championship, placing them fifth.

Rev. Ockert To Discuss Rise, Decline Of Unions

"Their Haughty Power" will be the title of the sermon by the Reverend Roy A. Ockert at the Unitarian Universalist Church of Fullerton this Sunday. The services begin at 10:55 a.m. at the Faculty Club, 1220 N. State College Blvd. A comprehensive liberal religious education program for children and youth is offered during the same hour.

Between 1957 and 1963, Mr. Ockert was first Assistant Research Director and then Research Director for the United Rubber Workers at the International Union headquarters in Akron, Ohio. He developed unique programs for sabbatical vacations, productivity sharing and union-management committees and negotiated with both major and minor companies in the rubber industry concerning them.

In Sunday's sermon, Mr. Ockert will discuss the rise and decline of unions as viewed from "the inside" and the relevance of that

social experience to the current recession, particularly with reference to the circumstances of professional and technical workers.

Max Stern will sing topical and labor songs and Mrs. Leaine Gibson will play piano preludes by Scriabin.

Financial Meeting Planned

The annual financial meeting of the Episcopal Church of The Blessed Sacrament, 1314 North Angelina Drive, Placentia, will be held in the Bethlehem Room of the church the evening of January 7.

Program

Two lecture-demonstrations, one featuring Dr. Lois Ellfeldt's views on modern dance and the other focusing on ethnic dance of India, will be presented in January at California State College, Fullerton.

Prof. Ellfeldt, chairman of the dance major at University of Southern California, will present "Dance: A Multiview" January 8, while "Dance of India" is scheduled for January 9.

Both programs start at 8:30 p.m. in the 500-seat Little Theater. There is no admission charge, but tickets must be obtained in advance from the dance department office, 870-3374.

Dr. Masami Kuni, chairman of the department, said Prof. Ellfeldt will relate her statements not only to dance but all the fine arts. Her narration will be demonstrated by a group of USC students led by Prof. Shizuko Iwamatsu of the USC dance faculty.

California State College Speakers Bureau Provides Interesting Lectures

Topics which vary from love poems to man and technology are included in the speakers' bureau bulletin issued this week by the Public Affairs Office at California State College, Fullerton. The bulletin, available to civic, church, fraternal and other organizations, lists 92 faculty members and more than 275 speeches. It replaces an edition distributed a year ago. "The bureau," explained Dr. L. Donald Shields, acting president of the college, "offers the community authoritative speakers on an extensive range of topics. It also serves as an effective means of improving ties between the community and college."

There is no fee for the arranging of talks. However, some speakers do require an honorarium to cover travel. Further information on the speakers' bureau may be obtained by either writing the Public Affairs Office or by calling Mrs. Mildred Wynne, 870-2414.

Evening Of Opera Set For January 7

An "Evening of Opera" will be presented by the California State College, Fullerton music department on four consecutive nights beginning Thursday, January 7, in Recital Hall.

Performances in English of scenes from operas by Mozart, Puccini, Massenet, Verdi and Britten will commence at 8 p.m. under the direction of Clifford W. Reims, associate professor of music.

Members of the cast for the scene from Mozart's

opera buffa, "Cosi fan tutte," will be Sharon Beardsley, soprano, Fullerton; Sherry Saunders, soprano, Pomona; and Paula Haines, soprano, Rowland Heights.

Puccini's "La Boheme," Act IV, will be performed by James Marshall, tenor, Fullerton; Chipper Hazen, bass, Claremont; Mike McCormack, baritone, Garden Grove; Linda Ward, soprano, Placentia; and Rebecca Breeding, soprano, Rolling Hills.

Two Valencia graduates, Leslie Rhae Gardner and Trey Johnson became man and wife recently in a ceremony held at the Waverly Church in Sahta Ana.

Performing the simple afternoon ceremony, was a friend of the couple, Hay Pritchett.

The bride wore a white long-sleeved gown trimmed with lace and pearl buttons with a small pink brooch worn on the high collar. Pam Mitchell, the bride's sister, made the gown.

The veil was decorated with a burst of pink and

white roses while white mums and baby's breath made up the bridal bouquet.

Sharon McCollum of San Diego, the bride's eldest sister, served as maid of honor while Mrs. Mitchell and younger sister Vicky Gardner acted as bridesmaids.

All three wore white, lace trimmed blouses with full-length wine colored skirts. Each girl also carried a bouquet of pale pink carnations.

The bride's three-year-old nephew, Michael Caje Mitchell, was the ringbearer with two-year-old Jessica

Amader attired in a white full-length dress trimmed in lace for her role as flower-girl.

Tom Johnson, the bridegroom's brother, acted as best man with fraternity brothers Jim Dalton and Dave Douglas chosen as ushers.

The bride's mother, Mrs. Walter M. Gardner of 1744 Canard Ave., Placentia, selected a full-length blue pants ensemble for the wedding.

Mrs. William H. Johnson of 337 Eagle Dr., Placentia, mother of the groom, chose a matching ensemble in

beige crepe and green sail.

The reception was held at the bride's home followed by a three-day honeymoon for the newlyweds at Big Bear.

Trey is currently in Texas completing basic training in the Air Force Reserves.

Laes Return To U. S. After Stay In Nigeria

Mr. and Mrs. Fred Lae and five children have returned to the United States after residing in Nigeria, West Africa, for the past four years.

The Laes, who arrived in Placentia on December 24, are former residents of Whittier and Fullerton.

Lae is manager for a drilling company. For the past 15 years he and his family lived in Iran, Trinidad and Holland before going to Nigeria.

Lae will transfer to Venezuela in mid-January

and in the interim the family will be the houseguests of Mr. and Mrs. Charles Bass, 1319 Rosario Circle, Placentia.

Mrs. Lae and the younger children will remain in the area to complete their schooling before joining Lae in the summer.

Anne Roth Returns To College

Miss Anne Roth spent the holiday season at the home of her parents, Mr. and Mrs. Walter Roth, 151 Anned Dr., Placentia. Miss Roth

Guests Entertained In Open House By Topps

Mr. and Mrs. Howard Topp and children Karen, Mike and Kim of 1324 Limerick Drive, Placentia entertained 200 guests at an open house held at their home on December 20.

The Topp home was beautifully decorated throughout and Christmas

music added to the festivities. The dining table held the Christmas punch bowls and each room of the Topp residence was abundant with hot and cold hors d'oeuvres.

Liz and Howard Topp have entertained their friends and neighbors in a similar way in other years since their having set up residence in Placentia.

After spending Christmas at their Placentia home, the Topp family (including "Toppie" the dog) left for Green Valley Lake.

Son Visits Parents Christmas Week

Mr. and Mrs. James W. Sherman, 1001 North Mountain View Place, Fullerton enjoyed a visit from their son and daughter-in-law, Mr. and Mrs. James O. Sherman of San Antonio, Texas.

Sherman teaches psychology at Lady of the Lake College in San Antonio.

After spending Christmas week in Fullerton the Shermans then left for Tucson, Arizona to spend the remainder of the

holiday with Mrs. Sherman's parents.

Sister Visits Mrs. Hodges

Mrs. Dessie Strotz of Ava, Missouri, is a guest at the home of her sister, Mrs. Essie Hodges of 137 Ruby Drive. Mrs. Strotz is the twin sister of Mrs. Hodges. After a visit in Illinois with her daughter Mrs. Strotz came to Placentia for the New Year holiday.

Yorba Linda Recreation Dept Organizes Activities

David Lloyd Singers Set

The Boys Basketball League, sponsored by the Yorba Linda Recreation Department, has been in progress for the past few weeks.

Headed by Bob Salmond, coach at Yorba Linda Junior High School, the league has 54 participants divided into six

teams. League play started last week. The teams play two games each week and also have one practice.

Each team has its own coach. The coaches are Volunteers and include Steve Alley, Jim DeGaine, Tim Lawson, Joe Burr, Gordon Crow and Jim Seabloom. Also, Bruce Lane

helped organize and coach a team. These coaches donate their time and talent to the program.

A second activity already under way is the Nature Study program, directed by Jack Horn, who was in charge of a similar program last summer.

Participating in this

activity are 12 young people of high school and junior high ages. They include Duncan Campbell, Ron Shields, Dianna Blais, Jay Spring, Chris Trott and David Clarke.

Also included are Cathy Vignone, Lori Mefferd, Dean Mellas, Frank Lettang, Leslie Wardman and Mike DeCono.

The participants spend one or two days a week in the field, trapping and studying animals and identifying and studying plants. The remainder of their time is spent in the Laboratory engaging in such varied activities as stuffing mammals to preparing food from edible plants found in the field.

The David Lloyd Singers will appear at the Rose Drive Friends Church on Sunday, January 10, 1971 at 6 p.m.

The David Lloyd Singers is a choral group made up of 24 voices, together with instrumentation, presented in sacred concert.

Agency Organized For Auto Repair Complaints

Motor car owners in Orange County can now register their auto repair complaints with an agency set up specifically to take action against swindlers in the repair industry.

Part of a statewide CARS (Committee on Auto Repairs and Services)

Network, this local grievance committee has been organized by Independent Garage Owners of Orange County.

According to an IGO spokesman, "The committee will consist of auto repair experts representing all reputable

segments of the industry in our community, including motor car dealerships and service station owners. They will receive, investigate and evaluate complaints and then take all available action, including the providing of expert testimony in court to

support valid complaints."

Motorists in Orange County can address their complaints to the CARS Committee at P.O. Box 911, Orange, California 92667. A committee member will respond in short order.

The program is not limited to IGO members.

Kappa Delta Alumnae Plans Jan. 6 Meeting

The Orange County Alumnae Association of Kappa Delta Sorority will meet Wednesday, January 6 in the home of Mrs. Lane Tilson, 4531 Vallecito Lane, Yorba Linda.

The highlight of the

evening will be a demonstration of wigs, falls, and hairpieces.

All Kappa Deltas in the area are welcome to attend and may make reservations with Mrs. Everett Brannberg at 636-3819.

Local Historian Researches Origin Of Placentia Name

By George G. Key
"What about the name Placentia," is often asked. The following may be of interest to those who ask this question. But first a little background.

On August 17, 1874, a large school district was formed with boundaries roughly as follows: Starting at Ball Road follow north on State College to about 1/4 mile north of Bastanchury, thence west about three miles. From this point north east to about the County Line, thence easterly following roughly the County Line to a point in the vicinity of La Vida Springs in Carbon Canyon, thence southerly following an irregular line to the Santa Ana River, down the River to Ball Road and west to point of beginning.

This District took the

name Cajon School District, no doubt from San Juan Cajon de Santa Ana Rancho on which it was located. A one room building was built "on Kraemer land" a little south of Orangethorpe Avenue and roughly a half mile east of Placentia Avenue.

In 1879 this building was moved to a two acre site on the south east corner of Placentia and Chapman Avenues. In June of 1879 the school board minutes were signed as the Placentia School. This is the first written use of the name, relating to this area, that I have found.

Mrs. William McFadden has been given credit for suggesting the name. But where did she get it and what does it mean? I do not know, but I find the following interesting:

A cousin of mine recently returned from a visit to Spain and sent me a map with the names of two towns circled. One was Plasencia, about 160 miles west of Madrid. The other was Palencia, about the same distance north of Madrid. He asks the question, "Could the Spanish have brought these names with them?"

In south eastern Newfoundland there is a large bay named Placentia Bay. It is bounded on the west by Placentia West District, and on the east by Placentia-St. Marys District. On the east coast of the Bay is the town of Placentia. On December 1, 1970 I wrote to the Governing Body of this town. Last week I received a packet from Mr. Thomas V. O'Keefe, Town Clerk, that contained some interesting material.

Mr. O'Keefe, in his accompanying letter states, "Like the citizens of Placentia, California, we of Placentia, Newfoundland

are also not positive of the origin of the name Placentia, but we do have a couple of likely suggestions. One is that it came from a French word meaning "Pleasant Place." (This meaning has generally been used locally.)

From Romans?

Mr. O'Keefe continues: "Another suggestion is that it came from the word Placentia. One writer talks about it like this, 'The name itself carries you back to those far off times when Caesar's legions rested below the foothills of the Pyrenees and named their camping ground Placentia, a level disc within the womb of hills. Perhaps the Basques saw a physical resemblance here in the New Land to that spot in their own beloved country, and they gave the name Placentia to this haven of level beach and harbour amid envirening fir clad heights'."

"Like you, we also had the Spanish and the Basque in our early history, and of

course we also had the French and the English, so it would seem likely that the name derived from the same origin."

In the packet from Mr. O'Keefe was a commemorative medallion about the size of our silver dollar. On one side is a picture of the famous elevator bridge at Placentia Gut, Newfoundland, and the wording "Placentia-Newfoundland 1662-1692." On the other side is a picture of a canon and the words "300th Anniversary Founding of Placentia by the French - 1662."

Historical Notes

Following are some quotes from the literature enclosed in the packet:

"Some historians claim that ships of the Basques actually found the Grand Banks and the Isle of Codfish before the voyages of Cabot and Columbus..." "It can be stated with certainty that Basques were the first to penetrate the Gulf of St. Lawrence,...

Wednesday, January 6, 1971

They had fishing stations at Trespassy, St. Mary's, Placentia and Miquelon, which are all named from towns in their homeland. The chronicler Hakluyt relates that in 1592 an English captain named George Drake visited Placentia and found 60 Basque ships. John Guy in his letters of 1611 tells how he intended to make a voyage to Placentia, a place of considerable trade." "...The French followed the Basques..." "...in 1662 France decided to extend her western empire to include Newfoundland... They built strong forts at Placentia..." "When toward the end of the 17th century, war broke out between England and France...it was from Placentia that French forces...destroyed English settlements..." "...British naval forces...found the defenses too strong to be taken by force..." "The treaty of Utrecht in 1713 put an end to French occupation of Placentia..."

**How to save a little
And lose a lot . . .
on your own home.**

Don't laugh. It could happen.

For instance, suppose you decide to sell your house. Yourself. You do. For \$35,000.

Great. But how did you arrive at that price? By guesswork. It takes a lot more than that to determine a property's value. It takes a Realtor who knows houses and what they're worth.

He might find yours was worth \$5,000 more. A fair price to buyer and seller. Of course, you'd save the Realtor's fee. But at quite a cost.

So when you decide to sell a house, use one of our Realtors. We're pledged to a strict code of ethics.

That's good. Especially if you want to make the best sale you can. Or, for that matter, the best buy.
